

cosmicMIA™ dynamic minimally invasive system

CS 2690-01 Layer 1 for cosmicMIA™ instruments

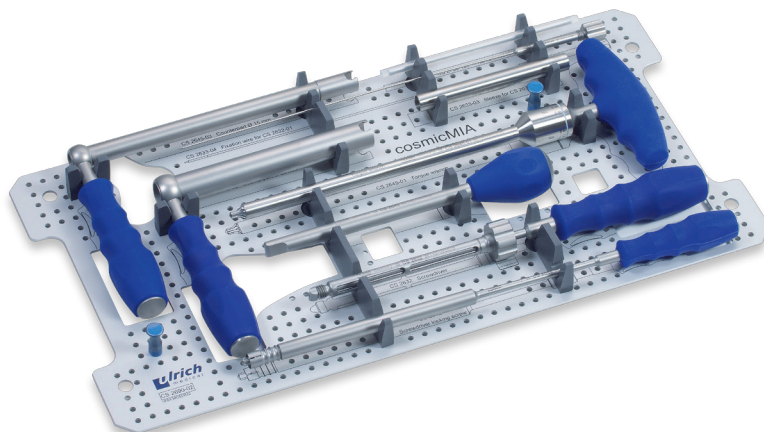

Product number	Product	Quantity
CS 2620-06	Awl, for screw Ø 5.5 mm, Ø 6.5 mm	1
CS 2620-07	Awl, for screw Ø 7.5 mm	1
CS 2622	Trocar wire for awl	1
CS 2624	Guide wire, Ø 1.5 mm, length 500 mm	6
CS 2626-01	Dilator, Ø 12 mm, length 160 mm	1
CS 2626-02	Dilator, Ø 19 mm, length 120 mm	1
CS 2626-03	Working sleeve, Ø 22 mm, length 100 mm	2
CS 2626-04	Drill wire, Ø 1.5 mm, length 160 mm	4
CS 2628	Gauge for screw length	1
CS 2630-06	Tap, for screw Ø 6.5 mm	1
CS 2630-07	Tap, for screw Ø 7.5 mm	1
CS 2633-01	Guide sleeve	4
CS 2633-02	Assembling instrument for CS 2633-01	1
CS 2633-05	Attachment for CS 2633-01	1
CS 2636	Gauge for rod length	1
CS 2690-01	Layer 1 for cosmicMIA™ instruments	1

Important: Please ensure that you are using and observing the most current surgical technique of this system at all times. For the cleaning, disinfection and sterilization of unsterilized implants and instruments, we refer to: UH 1100 „Processing manual implants and instruments“. For individual instruments which are correspondingly marked (Δ), we refer to the „Assembly and disassembly instructions with special cleaning instructions“. You can download them any time free of charge at: www.ifu.ulrichmedical.com

cosmicMIA™ dynamic minimally invasive system

CS 2690-02 Layer 2 for cosmicMIA™ instruments

Product number	Product	Quantity
CS 2632	Screwdriver	⚠ 1
CS 2633-03	Sleeve for CS 2632	1
CS 2633-04	Fixation wire for CS 2632	1
CS 2640	Tightener for screws	1
CS 2642	Screwdriver for locking screw	⚠ 1
CS 2645-01	Torque wrench, 8 Nm, length 310 mm	1
CS 2645-02	Counterpart for torque wrench, Ø 20 mm, length 155 mm	1
CS 2645-03	Counterpart for torque wrench, Ø 15 mm, length 210 mm	1
CS 2760-150	Phantom rod, length 150 mm	1
CS 2690-02	Layer 2 for cosmicMIA™ instruments	1

Important: Please ensure that you are using and observing the most current surgical technique of this system at all times. cosmicMIA™ dynamic minimally invasive system

CS 2690-03 Layer 3 for cosmicMIA™ instruments

CS 2690-04 Tray for implants and instruments

Product number	Product	Quantity
CS 2633-06	Rod-screw connecting instrument	1
CS 2633-07	Reattaching instrument for CS 2633-01	1
CS 2633-08	Sleeve for CS 2633-06	1
CS 2638	Forceps for rod, delicate	1
CS 2791	Distraction forceps	1
CS 3024	Rod holder, length 190 mm	1
CS 5788	Measuring caliper	1
UL 8522-27	Ball tip probe, length 270 mm	1
UT 1641-29	Rod bending forceps acc. to Lepine, length 290 mm	1
CS 2690-03	Layer 3 for cosmicMIA™ instruments	1
CS 2690-04	Tray for implants and instruments	1
